

The Governance of Public Bodies: A Progress Report, 1997, 151 pages, 0101355726, 9780101355728, Stationery Office, 1997

This White Paper explains how key aspects of good governance apply to executive NDPBs and NHS bodies, and gives an up-date of progress on many actions taken in response to the Committee's First Report. It is intended to set out the frameworks of statutory requirements, regulations, codes of practices and administrative procedures which, developed over time in each sector, and given important additional stimulus by the Nolan Committee itself, help ensure high standards of governance in public bodies.
